BTEC

Subject	Grade	Year
Btec Ext Diploma in Software	DMM(Predicted)	2019

Work experience

I don't have any work experience

Training courses

I have not been on any training courses

About you

What are your main strengths?

In college, I learnt how to effectively plan, therefore I was able to complete my assignments on time in a well-organised manner meeting my deadlines. For example, in a group project, I had laid out the tasks with the resources they would use in the time span of the project. Additionally, I am adaptable in different circumstances such as learning how to use different software packages like the Visual Studio IDE. I believe I am self-motivated and will work to the best of my ability.

What skills would you like to improve during this apprenticeship?

The main skill I would like to develop is my communication skills. other skills I would like to improve upon is Testing and debugging, Learning more about databases and database design.

What are your hobbies and interests?

I enjoy spending time learning about new technologies and how they work as they are part of everyone's daily lives. I also being creative in finding simple and inexpensive solutions to everyday problems.

Additional questions

Do you have a learning difficulty, disability or health problem?

No

Is there anything we can do to support your interview?

I don't have any interview support requirements
